

# 'Tech We Can' Teacher Contractor Glasgow

## About Tech She Can

Tech She Can is a charity on a mission to inspire and educate young people about the opportunities available using technology and careers in tech. We work collaboratively with schools, teachers and industry partners to empower the next generation to thrive in a digital world through our 'Tech We Can' lessons, experiences and events.

## The opportunity....

We are seeking an experienced and enthusiastic teacher to join our Education Team as a 'Tech We Can' Teacher Contractor in Glasgow.

In this role, you will be delivering an engaging, interactive and inspiring Tech Enriched Workshop to Third Level (S1 and S2) students. You will be trained in the delivery of this workshop and then repeatedly deliver this across multiple high schools from April to June 2026.

You'll be part of a growing, passionate team committed to inspiring young people and supporting educators to empower the next generation into technology careers of the future.

## About you:

- Qualified teacher with a proven ability to engage learners.
- Confident and enthusiastic presenter.
- Passionate about careers and technology education.
- Flexible and self motivated, with excellent communication and organisation skills.
- Based in or very near to Glasgow with the ability to travel within your region.
- Ideally have existing contacts and networks with Glasgow based High Schools.

## The role:

- Location: Glasgow
- Rate: £250 per day
- Contract: 10 weeks, April to June 2026.
- Working Pattern: 3 days per week

Note: This is a self-employed contractor position. You will be responsible for managing your own tax and National Insurance obligations and will invoice us for your services.
