

Tech for Travel and Tourism Homework Task

NAME

HOMEWORK DUE DATE

YOUR TASK

Research the plans for the Von Braun space hotel and use your research to complete one of the following homework activities.

- Create a job advert for a person working in a space hotel. What would the job involve? What skills would they need?
- Create an advert (poster or recorded) to persuade customers to book their next holiday at the Von Braun Hotel.
- Use your research to create a labelled diagram of the hotel. What special features will it have? What will the tourists' experience be like?
- Create a table of the advantages and disadvantages of holidaying in space.
- Interview an adult (i.e. a parent, carer, other relative or teacher) to gain their views and opinions on whether they would book a holiday in space and what they think it would be like.
