

Tech for Retail Homework Task

NAME

HOMEWORK DUE DATE

YOUR TASK

Interview adults at home and complete your own research to produce a timeline of technology in retail. Example questions you could ask include:

- What were tills like in the 80s, 90's and early 2000's?
- In terms of technology, how has your weekly shopping changed over the last 15 - 20 years?
- When did you first shop online?
- Has the bar code always been around? How did the shopkeepers know the price of products?
