Funding available

Limited places with
funded travel and
teacher cover
available* for
schools where over
26.5% of students
are eligible for free
school meals.

*maximum funding of £100 for travel and £250 for cover teachers. We will contact you after registering to notify you if your school qualifies and there is still funding available.

Aims of the Day

- Discover a wide range of tech careers beyond coding and the pathways students can take to reach them.
- Explore the importance of diversity in tech and help students see themselves in this rapidly growing sector.
- Understand key technology trends shaping the future of work so you can better guide students.
- Gain the knowledge and resources to confidently embed digital skills in your lessons.
- Use the Springboard platform to continue your professional development.

Gatsby Benchmarks
2 & 4

“Can I just say that out of all the CPD I've been on, this is probably the best.”

“Thank you for such a fun, enlightening and inspiring career day yesterday at Infosys. I've come back to school fully enthused about tech and passing on the Tech She Can message to our students.”
